The GCA is pleased to announce the launch of its Email Notification Service on our electronic plans room. Now you can benefit from automatic notifications in the following areas:

Addendum Notification – We will email you a notice when an addendum is received for the job that you specifically sign up for.

Bid Result Notification – We will email you bid results for projects listed on the GCA website.

New Project Notification – We will email you a daily list of new projects posted on the GCA website.

To register for Email Notification Services please follow the steps below:

1. Log on to www.gcahawaii.org.
2. Click on “Bidding Info “ on left tab.
3. Click on “Bid Schedule” on top of page.
4. For bid results and new project notification, click on “notify” and fill in the requested information. (You will only need to register once)
5. For addendum notification, click on “notify” next to the project requested. You will need to register for each job separately.

This service is free of charge for all GCA Members. If you have any questions, please contact Norma at 833-1681 ext. 25 or email her at norma@gcahawaii.org
