Introduction to Blueprint Reading – Civil

This introductory course is designed for beginners or those who have had little exposure to blueprint reading. The instructor will emphasize “hands on” learning using civil infrastructure drawings from a real project.

Site Utilities & Grading:

This course will provide you with the fundamentals of reading blueprints pertaining to civil plans and details with emphasis on site utilities (i.e. sewer; storm drains; water; gas; electrical; etc.); site grading (i.e. mass excavation; clear & grub; topography; etc.); building pads; site improvements and furnishing; and property/easement lines.

The course will also provide the fundamentals of reading pavement markings and signage. This course will cover symbols/abbreviations; materials and equipment; quantity take-offs; and blueprint reading of civil plans, details and specifications.

INSTRUCTORS: Scott Jennings
